**The Arizona Police Association Endorses  
Mr. Bill Montgomery for Maricopa County Attorney  
in Republican Primary**

The Arizona Police Association, an association that represents 18 individual police, detention, correction and border patrol associations and which counts approximately 9000 individual members from across the great state of Arizona is announcing our endorsement of Mr. Bill Montgomery for election to the position of Maricopa County Attorney in the upcoming Republican primary.

The Association, after discussing law enforcement and prosecutorial issues in Maricopa County with Mr. Montgomery, has decided he is best suited to conduct the business of the Maricopa County Attorney. According to Brian Livingston, the Executive Director of the association, "Mr. Montgomery will bring a wealth of experience, legal study and practical wisdom to the office. I am also confident that he will operate the office in a professional manner and will disregard populace and political viewpoints for the sanctity of the constitution and judicial renderings."

The Arizona Police Association congratulates Mr. Montgomery on receiving this endorsement and urges its membership to do all they can to support his candidacy in the upcoming Republican Primary.
